PIRATE'S DINNER ADVENTURE

Pirate's dinner Adventure is an evening of entertainment and dining you will never forget! Get ready! With a crack of lightning and a jolt of thunder, the main show begins. It's the classic story of the kidnapping of a beautiful princess who falls in love with a handsome pirate, and the adventures they endure.

The stage is an authentic replica of an 18th century Spanish galleon afloat in a 300,000 gallon lagoon. Pirates board the ship and perform spectacular aerial stunts and sword fights.

You'll experience a delightful blend of original music, enchanting comedy routines and amazing stunt acrobatics. More than 100 lucky volunteers will be sworn in as members of the crew, to play important roles in the production.

The Port-of-Call Feast includes: Chef selection of appetizers served buffet style upon arrival in the King's Festival; portions of roasted chicken carefully marinated in a savory lemon-pepper sauce; swashbuckling cuts of tender beef cooked to perfection by award-winning chefs to satisfy the meanest pirate on the high seas; a special yellow rice sautéed in chicken broth and seasoned with select herbs and spices from the West Indies; an assortment of mixed vegetables good enough to walk the plank, delicious bread baked daily and served piping hot (or the cook walks the plank); a dessert fit for royalty—apple cobbler a la mode and a variety of soft drinks.
